Seasons	
High season	April/ May /June / September
In-between season	March / October / November
Low season	January / February / July / August / December

Why Padua?

For... its central position in the Veneto region: 30 minutes away from Venice and Vicenza by car, 50 from Treviso and from Verona; 60 minutes away from the sea and the Lake Garda

For... visiting an art city rich in monuments and important frescoes.

For... going around on boat along the canals of the city or on a short cruise to discover the Venetian Villas of the Brenta Riviera, among art and nature.

For... a travel in history through strongholds, castles, walled cities and abbeys of the territory.

For... visiting the Villas and the gardens, discovering the architecture and art of the ancient and noble residences surrounded by monumental gardens or parks.

For... a walk in the green Regional Park of the Euganean Hills, for a wine tasting in its wine cellars or a tasting of its natural products.

For... discovering and tasting the products of the local tradition.

For... a day of shopping among the typical small shops and the fashion brand shops

See you soon in Padua !
